# 13mm Fusion Sleek Lip Gloss Mini (with paper cap)

The Fusion Sleek Lip Glosses (available in full and mini size) have a thick-walled, one piece PETG bottle construction that offers crystal clear packaging appeal. The paper cap allows for an all-over printed design that can have added foil, spot UV or a matt or gloss finish. The wiper is bi-injected technology, combining the hardness of LDPE for pull force retention with the softness of TPE for an ideal wiping function. This pack is also available with an aluminium cap for an extra luxurious feel and can be paired with the following applicators: Ballet, Heart, Lip Glaze, Small Feather, Geo-Taper, Leaf, Mini Bowl, Dome, Honey Dipper, Doesfoot, Mini Doesfoot, Brow Groomer and Mini Spatula.
