

14.5mm Pacific Mascara (Straight Cap) (Eco – PCR)

As part of HCP's Eco program to offer sustainable packaging options, this item is produced using PCR materials. The bottle can be moulded in 30% R-PP, the cap in 100% R-ABS and the rod in 50% R-PBT. The Pacific mascara stock pack has a luxurious tapered profile, with either a cylindrical or 'teardrop' cap. With extensive decoration capabilities and options for both twisted-wire and micro-precision moulded plastic brushes, this is a stand-out star of HCP's mascara offering. This item is compatible with multiple brush types, rod and wiper combinations to optimise performance. This pack has a premium click closure and a decoration orientation feature to ensure a satisfying and high-end result.

HCP Ref:
