Radii Tottle 30ml (Eco – Bio-based/EcoWood)

Challenge your perception of sustainable beauty packaging with tottles produced in HCP's exclusive material innovation: EcoWood. This revolutionary fossil-free material is ready-to-go for HCP stock tottles without additional tooling investment - fully industrialised and samples are available for testing. The Radii tottle is available in 10ml, 15ml, 30ml & 50ml sizes, with a PE reducer plug to control the amount of product that is dispensed. Perfect for complexion and skincare products, It can be produced in bio-based materials and a variety of materials and PCR options. The tottle can be colour-matched and decorated with screen print or foiled artwork, while the PP cap can be colour-matched, metallised or spray-coated.
