

Radii Rectangular Domed Palette (9 well)

The Radii Rectangular Domed Palette 9 Well features a contemporary soft square profile and a two-piece cover recess with a dome. Decoration options for the dome include screen printing, hot stamping or applying a heat transfer label to the back of the dome to achieve full colour and highly detailed designs. The dome itself can be moulded in clear or opaque or tinted for a subtle hint of colour. There is also a print area available on the top of the dome for added branding. This pack is ideal for multi-product launches, limited edition and gifting ranges. The Radii Rectangular Domed Palette is also available with 3 well, 7 well, 8 well and 11 well inserts.
