

Radii Square Domed Blusher Compact

The Radii Square Domed Blusher Compact features a contemporary soft square profile and a two-piece cover recess with a dome. Decoration options for the dome include screen printing, hot stamping or applying a heat transfer label to the back of the dome to achieve full colour and highly detailed designs. The dome itself can be moulded in clear or opaque or tinted for a subtle hint of colour. There is also a print area available on the top of the dome for added branding. The insert can be moulded or decorated in a contrasting finish to the outer base and cover.

HCP Ref:
90G
