

M:PLUS EYE BRIGHTENER COSMETICS

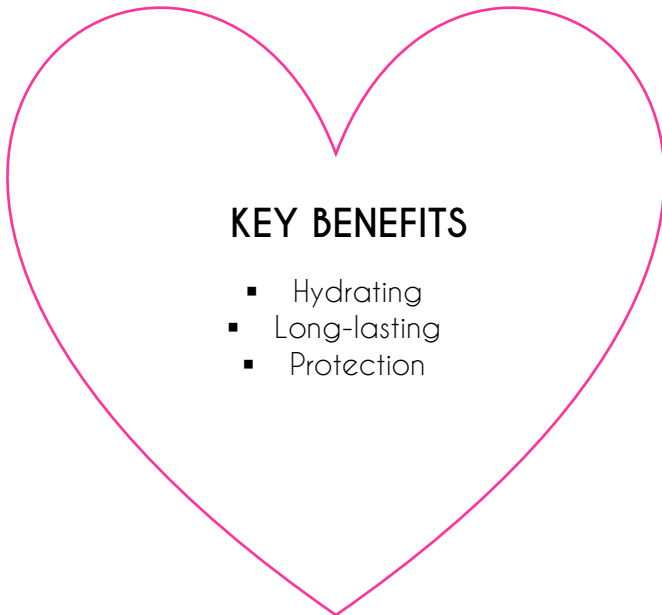

LIQUID CONCEALER

Eye Brightener is ready to **hide your darks shadows** and **hydrate** your eye contour!

Eye Brightener is enriched with a **natural resin** that guarantees **long-lasting effect** of the formula and **Squalane** that protects the skin against loss of moisture, makes it elastic and pliant, and thereby improves the structure of the natural lipid film.

Eye Brightener is the **perfect ally** for your daily makeup routine!
