

NXTBROW

JET SET BROW INK

Brow conditioning gel instantly grooms brows with a soft, flexible hold, buildable coverage and a healthy-looking shine.

Longwearing, light-textured formula defines and fills sparse, thin and patchy brows with natural-looking “ink” that stays in place all day without flaking, feathering or stiffening.

INGREDIENTS/TECHNOLOGY:

- **Castor Oil** nourishes brow hair follicles & helps promote healthy shine
- **Vitamin E** conditions brows

MA 008-042-03. Compliant in US, EU, CAN & CHI. Vegan. Formulated without Alcohol, Gluten, GMOs, Parabens, Phthalates, Silicones, Sulfates or Talc. Cruelty Free.

The 5mil hollow filament & uniquely designed asymmetrical twisted wire brush shape deposit an ideal amount of product to the brow line to define, shape & intensify brows.
