FORMULA TECHNOLOGY

- **W/O EMULSION FORMULATED WITH A PEG-FREE EMULSIFIER OF NATURAL ORIGIN – Shake Before Use – OK B.L. CLEAN**
It is a cushiony fast spreading texture that melts and sets on skin leaving it nourished and soft with a velvety finish.
- **ANTI AGING ACTIVE INGREDIENT (FUNCTIONAL DOSE – 2%)**
Anti-aging active ingredient extracted from *Plantago lanceolata*, a perennial plant with oval, ribbed, short-stemmed green leaves also called Plantain. By enhancing skin viscoelastic properties, it restores skin firmness and elasticity while smoothing the skin and visibly brightening senile pigmented spots after only one month of 2% application.
- **BLEND OF LIGHT BUT EMOLLIENT ESTERS**
In order to have a nourishing sensation and skin care like after feeling on skin but never oily nor greasy.
- **SMALL PERCENTAGE OF SILICONES**
In order to give a blurring finish and a long-lasting wearing. It contains a smoothing silicone elastomer gel with a light and silky skin feel for the blurring effect and an innovative film forming silicone resin pre-dispersed in a vehicle able to ensure a flexible and elastic, never dry film for a great comfort that lasts over time.
- **BLEND OF NATURAL HUMECTANTS**
Strong moisturizing properties to prevent skin dryness over time.
- **NATURAL HYDROPHOBICALLY COATED TALC FREE PIGMENTS**
To provide a uniform medium coverage, easily blendable.
- **TEXTURIZING POWDER** with soft touch and soft-focus properties.
- **SMALL PERCENTAGE OF A SATIN PEARL** to have a perfect radiant looking finish.
- **LOTUS FLOWER FRAGRANCE (0,3%)**
