BESTSELLER MASCARA, VEGAN

THE FORMULA

Smooth and gliding application and flexible texture for easily layer coats and choose the volume intensity that best suits your needs!

Free from any Beeswax, this mascara has **81% of natural ingredients** and contains a blend of **Berry, Rice, and Paraffin** waxes that coats your eyelashes with the same great volume as traditional best-selling (non-vegan) formulations.

Also contains a **natural gelling agent** that boost the texture's body. Bulk is quickly deposited onto lashes and gives a high volume effect with great separation.

- Lashes are visibly thickened & lengthened
- Fast volume effect
- Creamy texture, easy re-application
- **100% vegan**
