Astra Tottle 30ml

Available in 15ml and 30ml sizes, the Astra Tottle has a soft construction that provides excellent barrier properties with the two layer co-extrusion of PE and Surlyn®, along with excellent 'squeezability' and a high gloss finish. The Astra Tottel 30ml is also available with a matt mould cap (72W). This item is now available moulded in HCP's exclusive bio-based and fossil-free material 'EcoWood'.
