

Dial Stick 20g

For targeted and frequent application, twist-up sticks are high-quality and ergonomic packages for no-fuss application anytime, anywhere. This versatile bottom or top fill pack is perfectly suited for solid formulas in the sun protection, skincare, colour and hair categories. The Basic Stick series offer soft square or oval profiles and a straight opening, with a click fit cap and dial to dispense the product. Available in 15g and 20g in soft square, 15g and 40g in oval.
