

## Dial-Less Stick 10g

Revolutionary 'dial-less' sticks feature an innovative 'twist & click' patented delivery system for an easy and premium user-experience. For targeted and frequent application, twist-up sticks are high-quality and ergonomic packages for no-fuss application anytime, anywhere. This versatile bottom or top fill pack is perfectly suited for solid formulas in sun protection, skincare, colour and hair categories. This item has a soft-square profile, click fit cap and a half-auto turning seamless bar dial to dispense the product. Available in 10g. The dual version of this pack provides the flexibility of a 2 in 1 product.
