

DWA DB E 40ml

A contemporary choice for premium skincare lines, the 'DB Series' showcases double-wall airless packs with a minimalist, capless design and a gratifyingly heavy-weight feel. Achieve sophisticated, layered aesthetics with the option to mould the outer bottle opaque or transparent. Add a heightened sense of luxury with the addition of special finishes and decorative designs. Available in volumes from 15ml to 110ml and suited to a variety of products including: serum, primer, foundation, suncare and facial creams.
