Radical Cube (Eco – PCR)

The Radical range has soft rounded corners and a thick-walled appearance; ideal for shade ID when moulded in transparent resin. HCP's extensive finishing capabilities enable endless possibilities for brand personalisation through colouration and decoration. With the option to present as a refill system, this item is moulded in 100% R-ABS and features four removable cubes (OFC: 5ml each) for hot-pour products such as lip balm or eyeshadows.
