

Devotion Refill Lipstick

The Devotion Refill Lipstick has a flush fit, sleek appearance, with a 'click & use' concept for brand loyalty. A special lock ring feature for the refillable mechanism (patented) twists up after assembly with base. PET material fashion parts can be separated ready for recycling or provided as R-PET. Eco-friendly packaging promoted in a timeless 70/30 cylindrical profile. The cup diameter is 12.7mm while the base is weighted for a premium feel.
