

Super Slim Square Refill Lipstick (AL Exterior)

For premium brands consciously curating their product lines with planet-friendly packaging, HCP's stock 'Super Slim Refill Lipstick' is a chic, rechargeable design that doesn't compromise on the wow-factor – available with a round or square profile. Featuring a 6.3mm cup for accurate application, this lipstick makes a bold style statement with aluminium cladding and an on-trend ultra-slender design. HCP's industry-leading decoration capabilities enable brands to differentiate, while aligning the pack with their unique creative vision.
