Radii Rectangular Midi Palette with Flat Top-Plate (6 well)

The Radii Rectangular Midi Palette with flat top-plate features a two piece cover and has a contemporary soft square profile. Decoration options for the top-plate include screen printing, hot stamping or applying a heat transfer label to the back to achieve full colour and highly detailed designs. The top-plate itself can be moulded in clear or opaque or tinted for a subtle hint of colour. There is also a print area available on the top of the top-plate for added branding. Alternatively this palette can accomodate decorative top-plates such as printed paper, gel, textiles, precious stones or metal. The Midi Palette is an ideal size for essential eyeshadows, travel or gifting with a six well vac-form insert.
