Radii Tottle 10ml

Available in 10ml, 15ml, 30ml & 50ml sizes, this tottle can be co-extruded in a variety of material mixes to offer different levels of flexibility, with a PE reducer plug to control the amount of product that is dispensed. The tottle can be colour-matched and decorated with screen print or foiled artwork, while the PP cap can be colour-matched, metallised or spray coated. This item is also available in HCP's exclusive bio-based/fossil-free material Ecowood as well as PCR materials. The 10ml mini tottle is mini in size but mighty in nature! Easily portable, this small tottle is perfect for pigmented products such as highlighters and complexion products.
