

Lotus Lotion Pump 100ml

The 'Lotus Skincare Collection' is an ergonomically designed range of packaging with a modern curved shoulder profile that runs throughout for a cohesive lineup. The range comprises two high-performance atmospheric/dip-tube pumps with 50ml and 100ml capacities, a 150ml lotion bottle plus two slim-walled jars in 20ml and 50ml. For the 'Lotus Skincare Collection', HCP offer beauty brands a variety of pump actuator styles from the 'Affinity Atmospheric Pump' range to tailor the packaging to suit their desired aesthetic. Ideally suited to the masstige market, HCP's extensive added-value finishing and decoration techniques enable products to stand-out both online and inshore.
