Super Slim Round Fluted Refill Lipstick (AL Exterior)

HCP's stock 'Super Slim Fluted Refill Lipstick' is a chic, rechargeable design that also enables an additional tactile touch with luxurious fluting decoration options Featuring a 6.3mm cup for accurate application, this lipstick makes a bold style statement with aluminium cladding and an on-trend ultra-slender design. The lipstick can be showcased as either a fully fluted design for an elegantly elevated aesthetic, or a demi-fluted style for contrast and further decoration capabilities. HCP's industry-leading decoration capabilities enable brands to differentiate, while aligning the pack with their unique creative vision.
