

Fusion Square Mid Palette (9-well)

A mid-sized 9-well eyeshadow palette is offered with the option of a one or two-piece cover to add a decorative top-plate. The flat top-plate is moulded in PET/R-PET or various materials such as metal, textile, and paper can be applied. With an all PET construction, this sustainable stock item supports the directive for non-styrenic packaging. PCR materials from trusted sources are also available. This item co-ordinates with the extensive Fusion Square collection and is also available with a pressed powder insert.
