

# Radii Round Pressed Powder Compact with Glitter Storm

The Radii Round range offers diversity and flexibility for decoration as the two-piece cover presents endless creative possibilities to suit all styles and target markets. The cover recess of the Radii Round Pressed Powder Compact with Glitter Storm features a special patented decorative top-plate that displays glitter and sequins suspended in liquid. The customer can select from a wide range glitter mix options to achieve their own unique creative vision. Branding and artwork can also be added to the top or beneath the Glitter Storm top-plate with heat transfer, digital printing, hotfoil or screen printing for added impact. This item is supplied with a full size mirror in the cover. The softly curved base profile has a timeless and ergonomic feel. The Radii Round range is an ideal choice for a complete and cohesive cosmetics line.
