

Pillow Tottle 50ml

Compact, comfortable, and customisable, the 'Pillow Tottle 50ml' delivers high performance with a modern feel - designed for evolving beauty routines. Perfectly suited to both colour and skincare categories, this soft-format pack offers a modern alternative to glass bottles for foundation and a more user-friendly solution for portable products like hand cream and SPF. The squeezable body with a precision nozzle ensures mess-free, controlled dispensing, while optional multi-layer construction boosts barrier protection and shade opacity. The large tottle shape also helps create dramatic visual impact as well as providing extensive branding opportunities.
