Horizon Mist Pump 150ml

The Horizon is designed to meet the boom in skinification. Suitable for hair, body and make-up, it delivers a controlled mid-to-fine mist - light enough to refresh skin or set make up without disruption, yet even enough to enhance hair and body routines. From root boosters and salt sprays to hydrating facial mists, Horizon adapts seamlessly to today's multi-tasking beauty rituals. With a sleek cylindrical profile, secure overcap and strong canvas for decoration, it offers brands both reliable performance and standout appeal. With a dosage of 0.13cc, this item is available in 150ml, 120ml and 100ml sizes, perfect for setting, refreshing and styling.
