

Ringo Refill Stacker 10ml

The non-styrenic, stackable and refillable 'Ringo Stacker' empowers consumers to curate their beauty routines by stacking products into a single, portable unit. Whether it's foundation, primer, eye cream, or lip balm, users can mix and match to create a personalised combination that suits their needs. This modular approach not only simplifies daily beauty rituals but also provides a sleek, space-saving solution ideal for travel and on-the-go lifestyles.
