

Fusion Extend Compact

The 'Fusion Square' range offers the widest choice of compacts, palettes and kits in HCP's stock portfolio. The Fusion Extend Compact follows the slim, minimal aesthetics of the Fusion range, with the option to either opaque mould the cover and add a full size mirror or clear mould for shade ID. The insert holds two recesses: a larger recess for product and a second to hold an applicator. This pack is ideally suited to both eyeshadow or brow products.
