Fusion Rectangular Deep Duo Palette

This sharply angled, medium sized rectangular palette is available with two base options: a duo that is ideal for blushers or highlighters with third recess for a brush or sponge applicator; and a 7 well eye-shadow base to hold a range of hues. The elegantly deep ABS base and one-piece mirrored cover provides versatile decoration options such as metallising, spraying or artwork application with hot foil, screen print or heat transfer label. The cover can be opaque or clear moulded to provide shade ID.
