

Divine Quad Kit

The ‘Divine’ compacts have a contemporary geometric profile, subtly complemented by a cover recess feature that can be decorated for a unique branding opportunity with materials such as printed paper, textile, gel, metal or moulded plastic. The ‘Divine’ range can be presented in simple moulded colours or enhanced dramatically with HCP’s creative secondary finishing techniques for a luxury realisation. This item would also be a strong choice for a concealer/colour correction kit.

HCP Ref:
982
