

# Radii Square Deep Blusher (with round pan recess)

The Radii Square Deep Blusher Compact has a deeper cover profile than the standard blusher to accommodate baked cake formulas. The two-piece option can accommodate decorative materials such as printed paper, textile, metal, gel or moulded plastic to achieve unique realisations of this pack. The softly curved base profile and rounded corners have a classic and smooth feel.

HCP Ref:  
23G
