

Radii Rectangular Domed Midi Palette (6 well)

The Radii Rectangular Domed Midi Palette 6 Well features a contemporary soft square profile and a two-piece cover recess with a dome. Decoration options for the dome include screen printing, hot stamping or applying a heat transfer label to the back of the dome to achieve full colour and highly detailed designs. The dome itself can be moulded in clear or opaque or tinted for a subtle hint of colour. There is also a print area available on the top of the dome for added branding. Alternatively this palette can accomodate decorative top-plates such as printed paper, gel, textiles, precious stones or metal. The Midi Palette is an ideal size for brow kits, essential eyeshadows, travel or gifting with a six well vac-form insert.
