

Maroc Lipstick

The Maroc Lipstick is a soft square profile, full size lipstick with bi-injected base button that can be colour matched to the lipstick bullet. The cover, central collar and base cap are injection moulded ABS and incorporates a base button with transparent external shroud (ABS/PMMA). The Maroc Lipstick has an aluminium A-Shell and can be supplied with an integral ballast weight within the base mechanism. The cup diameter is designed to accommodate a 12.1mm or 12.7mm top fill bullet.
