

Fusion Round Trimline Wand

The Fusion Round Trimline Wand has a longer base profile to enable accurate and ergonomic application. The 11mm cup makes it ideal for lip products, concealer, highlighter, contouring and many other twist-up stick products. The flush fitted design has a sleek appearance and can be transformed for your brand with a wide range of decoration options. The ABS cap and base can be extensively decorated via metallisation, spray finishes or with a printed design, or a two-piece cap is available to add a decorative diamond or top-plate. The A-shell can be anodised and screen printed. This pack has the option for a weight in the base and has an orientation feature in the cap. Available with POM-Free Lipstick Mechanism: 68C.
