Paper Multi-Stick

With fast turnaround of collections and a need to communicate a brand-story via packaging artwork and colour, HCP's Paper Multi-Stick is a versatile choice to reinvent a pack, season on season. Giving brands the opportunity to go to town with highly detailed graphics and vivid designs, this stock item enables full colour printing with special touches such as foils and spot UV to make logos pop. FSC Certification can be provided. This item is suitable for solid fragrance, skincare or complexion products.
