

Magnum Panstick

With contouring still a huge ongoing trend, HCP's aluminium-clad Magnum Panstick has a premium appearance and is an ideal addition to the Magnum range. It comes in a 15.2mm cup size (top fill) and can be decorated via anodisation and screen printing. There is an option to add a weight in the base. The 'Magnum' stock range is a stunning choice; combining the cool touch of metal with sleek contours for the ultimate in metallic luxury cosmetics packaging.
