

With four diameter options, the Cruz Pots are an ideal pack for a variety of product types such as lip gloss, eyeshadow, blusher, mousse formulations or mineral powders. These pots also have the option to include sifters (PP or PP/Mesh). The pot can be moulded in either transparent or opaque SAN or PMMA, with options for various spray finishes. With a modular approach, the Meridian cap with recess fits the Cruz Pot base to offer a diamond, mirror top-plate or other decorative options such as paper, gel, enamel and Zamac.
