Cruz Double Level Pot (medium)

The Double Level Cruz Pot is clever cylindrical pots that fit within the extensive Fusion Round stock range. The top section of the pot has a hinged opening feature and the lower section features a screw threaded twist-off pot with a curved profile. Both parts are fitted with high-quality mirrors and can be supplied with sifters (PP or PP/Mesh) in the base. These pots are suitable for a wide range of powder or solid colour cosmetics products.
