

Fusion/Meridian Double Level Pot (small)

The Fusion Double Level Pots are clever cylindrical pots that fit within the extensive Fusion Round stock range. The top section of the pot has a hinged opening feature and the lower section features a screw threaded twist-off pot. Both parts are fitted with high-quality mirrors and can be supplied with sifters (PP or PP/Mesh) in the base. These pots are suitable for a wide range of powder or solid colour cosmetics products.
